**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't let the big companies crush the little guy competitors like SONIC which is small but excellent ISP.

How much of a threat can this company and others like it be to such corporate behemoths?

How about some common decency and reason in contemplating this matter.

The little guys need your protection.

Do the right thing.
